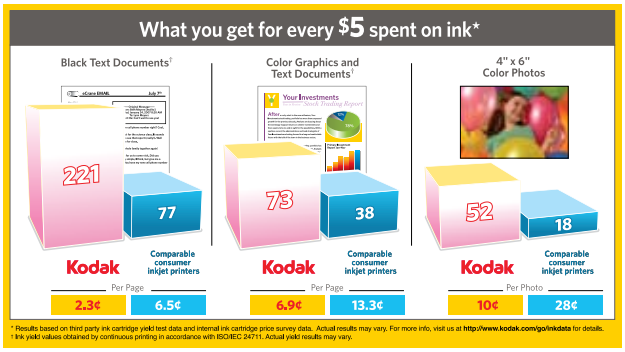
Kodak ESP 3

All-in-One Printer

Print, Copy, and Scan

Kodak has combined quality, ease-of-use and affordable inks to create the KODAK ESP 3 All-in-One Printer. It offers high-quality picture and document output, while allowing you to save up to 50% on everything you print when compared to similar consumer inkjet printers*. So you can copy, print and scan even more – for less.



KEY FEATURES

- Convenient two-cartridge system ($9.99 msrp black and $14.99 msrp 5-ink color) saves you up to 50% on everything you print compared to similar consumer inkjet printers*.
- Print KODAK Lab-quality 4" X 6" borderless photos in as little as 30 seconds[1] that last a lifetime[2]
- Print documents up to 30 pages per minute in black and 29 pages per minute in color.[3]
- The intelligent paper sensor will automatically adjust settings based on paper type. Even better, when using Kodak paper the printer recognizes the exact paper type and optimizes settings to deliver the right print the first time.
- One touch color copy without a PC. Ideal for reprinting old photos.
- Sleek design fits right into your existing home décor.
- Print directly from PICTBRIDGE enabled cameras and BLUETOOTH® enabled devices (optional accessory required). Photo transfer from most memory card types.
- High definition CIS scanner. Scan multiple pictures at once and software will create separate image files automatically.
- Facial retouch software editing feature to reduce the appearance of skin blemishes and enhance facial features.

CONSUMABLES:

- KODAK Premium Photo Value Pack. Delivers KODAK Lab-quality 4" x 6" Photos that will last a lifetime[2] at just 15 cents per print.[4] Includes a 5-ink color cartridge and 135 4" x 6" sheets of KODAK Premium Photo Paper.
- The KODAK Photo Value Pack. Delivers 4" x 6" prints for as little as 10 cents per print.[5] Includes a 5-ink color cartridge and 180 4" x 6" sheets of KODAK Photo Paper.
- The KODAK Color Ink and Black Ink Cartridge combo pack (includes one color and one black ink cartridge).
- To provide optimal results, Kodak offers a variety of papers to meet all your printing needs—from KODAK Premium Bright White Inkjet & Laser Paper to KODAK ULTRA Premium Photo Paper.
